EMPORIO ARMANI RISTORANTE

Emporio Armani dining concept in Milan has recently been completely revised in a new concept and style. Expanded and re-conceived, the space has been redesigned to accentuate the variety of its offering. In its menu, the Italian culinary philosophy is elevated with innovation.

The location comprises different areas:

- **Caffè:** with its casual atmosphere and freshly made pastry creations
- **Lounge:** ideal for a convivial lunch, this area brings out its best at night. A creative menu of cocktails and dj set add to the unique American Bar an international mood, while playing host to a selection of delicious sharing plates
- **Ristorante:** a warm and refined atmosphere, it is characterized by its open kitchen and a luxurious champagne bar reception area
- **Giardino:** the space, with natural shades in line with the surroundings, is bordered by golden planters, for a intimate atmosphere

NOBU

MILANO

Nobu Milano is a meeting point between subtle gourmet pleasures and the worldliness of refined discretion. The menu offers a wide variety of cosmopolitan-inspired flavours. Together with Nobu's classic offerings, Nobu Milano exclusive creations are also featured: fusion dishes in which mediterranean flavours blend with Japanese simplicity and technique. In the ground floor lounge, creative cocktails prepared by the expert barmen are served.
